North-West Neighborhood Plan kick-off meeting planned

A kick-off meeting for the North-West Neighborhood Plan will be held at 6:30pm Wednesday, May 31 at Centennial Commons, 7210 Olive Boulevard. At the meeting, U. City residents will receive background information about this new study area, learn about the planning process and identify neighborhood issues.

The boundaries for the North-West Neighborhood Plan are North and South Boulevard to the east, Olive Boulevard to the south, and the city limits to the north and west.

The Department of Planning and Development will develop the plan that helps ensure the preservation, maintenance and improvement of the neighborhood. It will identify major neighborhood issues and propose strategies to address those concerns. Residents will be involved in every phase of the process through meetings, surveys and more.

For more information about North-West Neighborhood Plan or the kick-off meeting, contact Lehman Walker, or Andrea Riganti at (314) 505-8500.
