The Liaison noted the dates were different and would research.

8. Strategic Planning.

Board members discussed inviting a council member to attend the meeting and provide a clear understanding as to the role of the Board members.

New Business.

Discussions were made that related to how the Commission should move forward. No motion was made. A suggestion was to invite a member of the Fire or Police department, however, it was determined that other sessions or meetings already cover this. Another recommendation was to place a statement in the ROARS brochure.
