STORM DAMAGE

- The Forestry Division maintains trees on public rights of way, in parks and on other public properties.
- After a storm, city workers clear the streets of downed tree limbs on an emergency basis.
- Trees on private property must be maintained by property owners.
- Limbs less than 3 inches in diameter may be cut into 4 foot lengths and bundled for pick up by the sanitation division on the regular trash collection day.
- Property owners must dispose of any debris from privately owned trees at their own expense.
- To report damage to public right of way trees, or limbs blocking streets, please call: 505.8619.
