Unfinished Business

1. **Brochure**

The Liaison was asked to request a review of the brochure by the City Attorney before the Commission returns it to Commissioner Falk for printing.

2. **Source of Income**

The Board members decided that all new members should be well informed on the City's position with the Source of Income before submitting the amendment to the ordinance to Council. Some Board members agreed to obtain more facts, such as, previous research on the matter. It was clear that the members would be available if called upon to respond to Council.

3. **St. Louis Equal Housing & Opportunity Council**

Guest speakers Zachary Schmoozing and Glenn Burleigh provided the board members with Source of Income information as it relates to the City.

4. **Banner Project**

A proposal stating where banners should go, who will pay, what it will say is still a work in progress. The City currently has recreation banners and link banners on Olive. Banner project is still on-going.

5. **Speakers**

Plan needs to be in place to schedule speakers to speak on days the commission meets, in efforts to attract residents to attend meetings.
