7. Miscellaneous Business

- A. Purcell and Etzel No through street
- B. Multifamily Building parking
- C. Compact Car

8. Adjournment.

Prior to the meeting, we recommend that you visit the site(s). Please call (314) 505-8571 or email etate@ucitymo.org to confirm your attendance.

STAFF REPORT

MEETING DATE: September 13, 2017
APPLICANT: Cecilia Hanan Reyes and William Acree – 7244 Lindell Boulevard
Location: 7200 Lindell Boulevard - Between Asbury Ave and 7254 Lindell Blvd
Request: Residential Parking Permit request
Attachments: Traffic Request Form

Existing Conditions:

Lindell Blvd from Asbury Ave and Manhattan Ave.

A portion of this request was submitted at the June 14, 2017 Traffic Commission Meeting for half of the block. After further review and participation the residents would like the entire block to be included in the Residential Parking Permit Request.

Lindell Boulevard between Asbury Ave and Manhattan Ave has no parking restrictions. Both sides are available for parking.

The Street is within one (1) block from both a municipal boundary and Washington University, thus is eligible for a Residential Parking Permit system.

Request:

Implement a Residential Parking Permit System on Lindell Boulevard between Asbury Ave and Manhattan Ave, on both sides of the street.

The petition submitted included signatures from 42 property owners, out of 46 properties in the requested area. This constitutes 91% of property owners in agreement.

Conclusion/Recommendation:

It is recommended that the Traffic Commission approve the newly submitted petition that includes that entire 7200 Block of Lindell Avenue.

Department of Public Works and Parks

6801 Delmar Boulevard, University City, Missouri 63130, Phone: (314) 505-8560, Fax: (314) 862-0694

TRAFFIC REQUEST FORM

LOCATION OF REQUEST:

7200 block of Lindell. See attached property map.

STATE THE NATURE OF YOUR REQUEST: The residents would like to establish a residential permit parking zone that would be in effect for about 2/3 of the 7200 block of the Lindell. The surrounding blocks of Forsyth, Maryland and Westmoreland have Residential Permit Parking restrictions in place. The 7100 block of Lindell is also pursuing Residential Permit Parking. The area under consideration is primarily single family homes. The remainder of the block has more multi-family and rental units.

WHAT ACTION ARE YOU REQUESTING THAT THE CITY TAKE CONCERNING YOUR REQUEST? There is substantial agreement from about 75% of the residents who want to pursue Residential Permit Parking in the area indicated on the map. We would like the City's support of this request.

WHAT IMPACT WOULD THE ACTION HAVE ON ANY ADJACENT RESIDENTS OR STREETS? This should have limited impact on adjacent streets, which already have restrictions. In addition, most of the homes on the streets to the north of Lindell have garages. Many of the homes on the 7100 block of Lindell do not have garage or off-street parking and therefore residents need to park on the street.

NOTE: The Public Works Department staff will review this request and, if warranted, this matter will appear as an agenda item for a traffic commission meeting. If a meeting is held, you will be encouraged to attend so that you may state your concerns.

STAFF REPORT

MEETING DATE: September 13, 2017
APPLICANT: Betty and Tad Dageforde – 7052 Northmoor Drive
Location: 7000-7100 Northmoor Drive – Between Big Bend Blvd and Asbury Ave
Request: Residential Parking Permit request
Attachments: Traffic Request Form

Existing Conditions:

Northmoor Drive from Big Bend Blvd to Asbury Ave

At the July 12, 2017 Traffic Commission meeting, a motion was passed to request a petition for the Residential Parking Permit.

Request

Implement a Residential Parking Permit System in the 7000-7100 block of Northmoor Drive between Big Bend Blvd and Asbury Ave Asbury Ave, on both sides of the street (per the Traffic Commission recommendation from July 12, 2017).

Residential Parking Only from 8 a.m. to 5 p.m., Monday through Friday.

The petition submitted included signatures from 40 property owners, out of 46 properties in the requested area. This constitutes 87% of property owners in agreement.

Conclusion/Recommendation:

City Staff recommends that the Traffic Commission approve the petition as presented.

Department of Public Works and Parks

6801 Delmar Boulevard, University City, Missouri 63130, Phone: (314) 505-8560, Fax: (314) 862-0694

TRAFFIC REQUEST FORM

LOCATION OF REQUEST:

7000 and 7100 blocks of Northmoor. See attached property map.

STATE THE NATURE OF YOUR REQUEST: The residents would like to establish a residential permit parking zone for the 7000 and 7100 blocks of Northmoor Dr. The surrounding blocks of Forsyth, (north side) and Lindell 7000 (and 7100 and 7200 are under consideration) have Residential Permit Parking restrictions in place. The area under consideration is primarily single family homes with the exception of a few park parcels owned by the City of University City and three parcels owned by the Archdiocese of St. Louis for use of Our Lady of Lourdes school and rectory buildings. Residential Permit parking is being pursued because Northmoor is immediately adjacent to Washington University's South 40 housing area. Freshman and Sophomore who reside on the South 40 are prohibited from bringing cars to campus and sometimes park vehicles for several days at a time on Northmoor.

WHAT ACTION ARE YOU REQUESTING THAT THE CITY TAKE CONCERNING YOUR REQUEST? There is substantial agreement from more than 75% of the residents who want to pursue Residential Permit Parking in the area indicated on the map. We would like the City's support of this request.

WHAT IMPACT WOULD THE ACTION HAVE ON ANY ADJACENT RESIDENTS OR STREETS? The request could have an impact Our Lady of Lourdes School and Church. To remedy that, we would ask that the Residential Permit Parking hours are 8 a.m. to 5 p.m. Monday-Friday. Further we would request that Lourdes teacher be considered "residents" and that they be able to park on Northmoor without restrictions as they have no other place to park. If these concerns cannot be addressed, that we would seek to have only a portion of the 7100 block included in the Residential Permit Parking district to accommodate the concerns of Our Lady of Lourdes School.

NOTE: The Public Works Department staff will review this request and, if warranted, this matter will appear as an agenda item for a traffic commission meeting. If a meeting is held, you will be encouraged to attend so that you may state your concerns.

Residential Permit Parking Request

7000 and 7100 Blocks of Northmoor

Department of Public Works and Parks

6801 Delmar Boulevard, University City, Missouri 63130, Phone: (314) 505-8560, Fax: (314) 862-0694

RESIDENTIAL PARKING PERMIT PETITION

TO: UNIVERSITY CITY- TRAFFIC COMMISSION

PROBLEMS CAUSED BY NON-RESIDENT PARKING (PROBLEMS SHOULD BE CHRONIC AND WELL DOCUMENTED). USE ADDITIONAL PAGE IF NECESSARY

The residents would like to establish a residential permit parking zone in the 7000 and 7100 block of Northmoor Drive in effect from 8 a.m. to 5 p.m. The surrounding blocks of Forsyth, Lindell, Maryland and Westmoreland have Residential Permit parking restrictions in place. We have frequent non-resident parkers associated with Washington University who remained parked throughout the day.

The area under consideration is primarily single family homes with the exception of a few park parcels owned by the City of University City and three parcels owned by the Archdiocese of St. Louis for use of Our Lady of Lourdes school and rectory buildings. Residential Permit parking is being pursued because Northmoor is immediately adjacent to Washington University's South 40 housing area. Freshmen and sophomores who reside on the South 40 are prohibited from bringing cars to campus and sometimes park vehicles for several days at a time on Northmoor Drive. Non-resident parking makes it difficult to access our driveways or park in front of our homes.

The request could have an impact Our Lady of Lourdes School and Church. To remedy that, we would ask that the Residential Permit Parking hours are 8 a.m. to 5 p.m. Monday-Friday. Further we would request that Lourdes teacher be considered "residents" and that they be able to park on Northmoor without restrictions as they have no other place to park.

SPECIFIC AREA REQUESTED TO BE RESTRICTED:

7000 and 7100 Blocks of Northmoor Drive

REQUESTED RESTRICTED TIME PERIOD (SHALL NOT EXCEED 12 HOURS DAILY)

8 a.m. to 5 p.m. Monday - Friday

NOTE:

THIS PETITION SHOULD BE SIGNED BY AT LEAST SEVENTY-FIVE (75%) PERCENT OF THE PROPERTY OWNERS ADJACENT TO THE BLOCK OF THE PUBLIC STREET INVOLVED.

The Public Works Department staff will review this petition and, if warranted, this matter will appear as an agenda item for a traffic commission meeting. If a meeting is held, you will be encouraged to attend so that you may state your concerns.

STAFF REPORT

MEETING DATE: September 13, 2017
APPLICANT: Debrah Pohlmann HOA – 7346 Forsyth Boulevard #5
Location: 7346 Forsyth Boulevard – Between Big Bend Blvd and Asbury Ave
Request: Relocation of “No Parking” Sign
Attachments: Traffic Request Form

Existing Conditions:

7346 Forsyth Blvd.

At this location residents that live in the condo experience difficulty entering and exiting the driveway because cars will park in front of it blocking it from use. (See photo from Miss Pohlmann)

Request

Move the current “No Parking” Sign to the east of the driveway as indicated above including at least one car length to allow for sight distance.

Conclusion/Recommendation:

City staff recommends that the Traffic Commission approve this request with recognition of the “No Parking” ordinance already in place but is not completely working for the tenants of the building.

PARKING PROHIBITION PETITION

TO: **UNIVERSITY CITY- TRAFFIC COMMISSION**

PROBLEMS CAUSED BY NON-RESIDENT PARKING (PROBLEMS SHOULD BE CHRONIC AND WELL DOCUMENTED). USE ADDITIONAL PAGE IF NECESSARY

Our building is on the southeast corner of Forsyth Blvd. and Del Lin Avenue. Our driveway is directly across from Crazy Bowls and Wraps, a beauty salon, and Krueger's bar and grill. We are less than a block from the Forsyth Metro stop and are walkable to Washington University.

There is a No Parking Anytime to the west of our driveway (between our driveway and the intersection of Forsyth and Del Lin). We are requesting that the sign stating No Parking Here to Corner be placed to the east of our driveway at least one car length from our entrance. This is because cars frequently park right up to our driveway going east. And, at times our driveway is obstructed. This makes it impossible for us to see cars traveling west (coming from the east) AND we are unable to turn right without going completely into the opposite lane of traffic.

SPECIFIC AREA REQUESTED TO BE RESTRICTED:

Restriction is requested from the corner of Del Lin and Forsyth to the east of our driveway to encompass a minimum of one car length east of our driveway. This will enable us to see cars coming from the east and allow us to turn out of our driveway without going into the opposite lane of traffic.

REQUESTED RESTRICTED TIME PERIOD

This time period should be at all times (24/7): sign stating "No Parking From Here to Corner".

NOTE: THIS PETITION SHOULD BE SIGNED BY AT LEAST SEVENTY-FIVE (75%) PERCENT OF THE PROPERTY OWNERS ADJACENT TO THE BLOCK OF THE PUBLIC STREET INVOLVED.

There are 7 owners in our building. There are 6 signatures attached. The building to our east has one owner. We do not have that signature. That is 75% of the property owners adjacent to the parking place we are addressing.

The Public Works Department staff will review this petition and, if warranted, this matter will appear as an agenda item for a traffic commission meeting. If a meeting is held, you will be encouraged to attend so that you may state your concerns.

STAFF REPORT

MEETING DATE: September 13, 2017
APPLICANT: Fatou Ellis – 1140 Ferguson Avenue
Location: 1000-1200 Ferguson Ave Olive Blvd. to Page Ave.
Request: Street Name Change
Attachments: Traffic Request Form

Existing Conditions:

Ferguson Ave

The original request was submitted in September of 2015, attached are the documents that were previously submitted.

Request:

The request for a street name change of Ferguson Avenue. To Ellis Avenue.
A portion of the road is located in Pagedale.

Conclusion/Recommendation:

It is recommended that the Traffic Commission review the request to determine Miss Ellis's next steps in the process and determine the petition area.

Department of Public Works
Traffic Request Form

LOCATION OF REQUEST

Ferguson Ave from Vernon to Page.

STATE THE NATURE OF YOUR REQUEST:

We are requesting a street name change of Ferguson Avenue in University City MO. This change would affect Ferguson Ave from the 1000 block (Vernon) to the 1200 block (Page).

WHAT ACTION ARE YOU REQUESTING THE CITY TO TAKE CONCERNING YOUR REQUEST?

We are requesting the city to review the petition (attached) and approve the name change from Ferguson Ave to Ellis Ave. Since 60% of the residents are tenants and not owners we expect minimum pushback.

WHAT IMPACT WOULD THE ACTION HAVE ON ANY ADJACENT RESIDENTS OR STREETS?

The impact would be minimum. Residents would still receive and send packages (mail) through the same post office. However, changing the name with utilities and other businesses may pose a small inconvenience.

NOTE: The Public Works Department staff will review this request and, if warranted, this matter will appear as an agenda item for a traffic commission meeting. If a meeting is held, you will be encouraged to attend so that you may state your concerns.

NAME:

Fatou M. Ellis

No Action Needed

Submitted To the City Of University City
By The Residents Of The
1000-1200 Block of Ferguson Ave
University City, MO 63130

Representatives will stop by for a signature response between July 25th and July 28th

A list off all addresses affected by this request is shown below. All abutting and affected property owners, including owners of both occupied property and vacant lots, are listed below and have been notified of this street name change request. The signatures of all abutting and affected property owners, approving of this proposed street name change petition are shown below. If you are not in agreement with this proposed street name change, please state the reason below next to your name or file a formal objection with the Public Works Department.

Whereas, the residents of residing in the 1000-1200 block of Ferguson Avenue(Vernon Avenue to Page Avenue) in University City, MO., have expressed interest in name change of **Ferguson Avenue to Ellis Avenue, and**

Whereas, this is a public street in the City Of University City or is under the jurisdiction of St. Louis County or Missouri department of Transportation, **and**

Whereas, the Residents desire the name change to honor one, Andrew Jackson Ellis, a fallen veteran that resided in The City of University City from youth to his death in 2013 **and**

Whereas, the Residents recognize and acknowledge that approval of the Project will result in an assessment of \$100 for the first sign and \$50 for each additional sign to be paid by the initiators of this petition(1140 Management, LLC) **and**

The undersigned, representing a majority of the Residents of the 1000-1200 Block of Ferguson Ave, hereby petition the City of University City to change the name of the street.

Fatou M. Ellis
1140 Ferguson Ave
University City, MO 63130

Re: Ferguson Avenue street name change request

Mrs. Ellis,

The City of University City received your request to change Ferguson Avenue street name to Ellis Avenue. Below you will find the review comments to be addressed by the petitioner, before moving forward with this request.

1. Ferguson Avenue from Olive Blvd to Page Avenue includes both municipalities, City of University City and City of Pagedale. Any future submittals and reviews need to incorporate approvals from the City of Pagedale.
2. From 57 properties within the requested area, six (6) properties are located in the City of Pagedale.
3. Once City of Pagedale is on board, the petition shall include signatures of property owners, not tenants. Even if property is vacant, signature from property owner is required.
4. The blocks of Ferguson Ave affected by this petition are the 1000, 1100 and 1200. First address should be 1001 Ferguson Ave and last address 1274 Ferguson Avenue.

If you have any questions, please contact me at 314-505-8568 or email at agutierrez@ucitymo.org.

Sincerely,

Angelica Gutierrez

STAFF REPORT

MEETING DATE: September 13, 2017
APPLICANT: Mildred Pettitford – 12179 Red Lion Drive, Florissant MO.
Location: Paramount Drive 82nd Blvd to The City of Life Christian Church
Request: Street Name Change
Attachments: Traffic Request Form

Existing Conditions:

Paramount Avenue

Request:

The request for a street name change of Paramount Drive to Rev. Joe L Middleton Ln

Conclusion/Recommendation:

It is recommended that the Traffic Commission review the request to determine the next steps in the process and determine the petition area.

Attached – Street Name Change Procedure

TRAFFIC REQUEST FORM

LOCATION OF REQUEST

8200 block of Paramount Dr., University City, MO 63132

STATE THE NATURE OF YOUR REQUEST:

To rename the public street Paramount Dr to Rev. Joe L Middleton Ln

WHAT ACTION ARE YOU REQUESTING THE CITY TO TAKE CONCERNING YOUR REQUEST?

To initiate the renaming of Paramount Dr to Rev. Joe L Middleton Ln by submitting a request at the September 13, 2017 Traffic Commission meeting.

WHAT IMPACT WOULD THE ACTION HAVE ON ANY ADJACENT RESIDENTS OR STREETS?

Paramount Dr is a short, one block street located in the Third Ward (see map). Paramount Dr runs out at the entrance of The City of Life Christian Church's rear parking lot. The renaming of the entire street does not pose any problems and would have minimal impacts on the property owners. There are no businesses or commercial properties on Paramount Dr. These property owners will be provided notification of the proposed name change by signature on the Petition for Change of Street Name.

NOTE: The Public Works Department staff will review this request and, if warranted, this matter will appear as an agenda item for a traffic commission meeting. If a meeting is held, you will be encouraged to attend so that you may state your concerns.

University City Traffic Commission
6801 Delmar Blvd.
University City, MO 63130

Dear University City Traffic Commission:

I'm writing to support a proposed request to change the street name of Paramount Drive to Middleton Drive, in honor of Pastor Joe Louis Middleton of The City of Life Christian Church.

Pastor Middleton has been a staple in the community for the past 25 years and has built a diverse following in University City. He is open, caring and robust in his interactions with all people and has a calming spirit that is evident upon your first interaction.

Pastor Middleton and his wife, First Lady Doris Lee Middleton, have partnered with the School District of University City for many years, providing much needed support for our students and their families.

It would be a pleasure to have a street named after Pastor Joe Louis Middleton who gives so much to the community that he loves and serves.

Best Regards,

Sharonica Hardin-Bartley, PhD, PHR
Superintendent of Schools

Department of Public Works and Parks

STAFF REPORT

MEETING DATE: September 13, 2017
APPLICANT: Janet Pierson - 6803 Kingsbury
Location: 6600-6800 Block of Kingsbury, Melville Ave. to Trinity Ave.
Request: Prohibit Charter Buses
Attachments: Traffic Request Form

Existing Conditions:

Kingsbury Avenue

During the academic year many university students use charter busses for large groups for traveling to entertainment within the city. The buses sit idle while loading and unloading disturbing the neighborhood during the late evening hours.

Request:

Prohibit charter buses from pick up or drop off in the 6600-6800 Block of Kingsbury Ave.

Conclusion/Recommendation:

The City has an ordinance that prevents any vehicle from idling longer than 3 minutes, this can be enforced. It is recommended that the Traffic Commission determine if there should be a petition requested for the prohibition.

TRAFFIC REQUEST FORM

LOCATION OF REQUEST:

6600-6800 Block of Kingsbury

STATE THE NATURE OF YOUR REQUEST: During the academic year, this street frequently serves as the point of departures and returns for large charter buses. These buses generally have been chartered by students to take large groups to off-site locations such as Laclede's Landing. The buses idle loudly, generally around 9 or 10 p.m. when permanent residents are trying to go to sleep. The buses return in the early morning hours, letting off large groups of students who can be noisy and disruptive.

WHAT ACTION ARE YOU REQUESTING THAT THE CITY TAKE CONCERNING YOUR REQUEST? We are requesting that the City officially prohibit charter buses from pick up or drop off on Kingsbury, and that if they do so, a ticket and fine can be issues to the charter operator. This could be accomplish through a no-load zone or similar. These activities could occur on Washington and be less disruptive to permanent residents.

WHAT IMPACT WOULD THE ACTION HAVE ON ANY ADJACENT RESIDENTS OR STREETS? This action would only have a positive impact on adjacent residential neighbors who will not be regularly disturbed during the late evening/early morning hours.

NOTE: The Public Works Department staff will review this request and, if warranted, this matter will appear as an agenda item for a traffic commission meeting. If a meeting is held, you will be encouraged to attend so that you may state your concerns.

RE: Letter of Support for No Commercial Loading Zone

Dear Mr. Tate,

It has come to my attention that several neighbors in the 6800 and 6600 blocks of Kingsbury have filed a request for the Traffic Commission to consider the creation of a No Commercial Loading Zone along Kingsbury Avenue.

This request is being made to address a persistent problem of charter buses which load and unload on the street in the late night/early morning hours and disrupt the neighborhood.

Washington University has sought to address this issue in the past. When buses are reported, we send Washington University Police Officers to ask the vehicle to move and suggest more appropriate location for loading. We attempt to determine the individual that ordered charter bus and educate him/her on appropriate neighborhood protocols.

A posted no-loading zone and the ability for University City Police Department to issue a ticket or charge a fine, would be a significant deterrent to this repeated activity.

Washington University is in support of this request.

Please let me know if you have any questions or concerns.

Sincerely,

Cheryl Adelstein

Assistant Vice Chancellor for Community Relations and Local Government Affairs

Subject: Re: Traffic Request Form--Kingsbury Party Bus limitations

Good morning Mr. Tate,

I also hope you can expedite this issue for the September meeting. I realize the wheels of administration grind slowly but surely, but now that the academic semester has started, the party season has also begun. Now is the time we will be dealing with the same rowdy disruptions we have lived through year after year. We have more young families on our block. Drunken rowdiness and idling Diesel engines spewing fumes for hours do not enhance the family aspect of our residential area. We have been working on this solution, hand in hand with Washington University and our councilmen for more than a year and have finally come to this point.

I truly hope that this can be put on the Traffic Commission September agenda.

Thank you so much,

Cirri Moran
6652 Kingsbury

Good Morning, Mr. Tate, thanks so much for your help and responding so quickly. All we can do is try. We are, also, trying to coordinate this with Cheryl Adelstein at WUSTL since it involves their students.

Ordinarily the big buses roll in with the start of the semester. Hopefully we can get ahead of this. Thanks again. Janet

Subject: FW: Traffic Request Form

Good Morning Mr. Tate, after a more specific discussion with Cirri, the neighbor and applicant named on our request form regarding the Party Bus problem, we have come up with this amendment to our initial request. It is important.

The buses need to be banned from traveling South of Washington along the North/South streets of Kingsland, Trinity and Melville coming into this residential neighborhood. Here's why:

1. The 3 N/S streets are very narrow. Parking is permitted. Buses block the streets completely. There is no way to pass. Emergency vehicles could not get through.
2. If buses are merely banned from loading and unloading on Kingsbury Blvd. but can still travel on Kingsland, Melville and Trinity, they can continue to travel down Kingsbury and then pull around to these N/South streets to load and unload.
3. Many apartment dwellers have bedrooms adjacent to the streets. It is a terrible situation late at night.
4. The mere physical act of the big buses with their diesel motors and loud braking driving down the residential streets is disruptive to sleep.
5. If buses can load and unload in the 500 block of Kingsland, they will disturb me and my residents as they have for the last 20 years.
6. That would make all this effort useless because it would not benefit anyone living in the big apartment buildings across from the single family dwellings.

Thank you for your help in expediting this request at the beginning of Wash U's fall semester when it is greatly needed.

If you have any questions, please let me know. I am happy to help facilitate this solution to a long standing problem in any way I can. The original request is included below.

Regards, Janet

Janet W. Pierson

Good Morning, Mr. Tate, thanks so much for your help and responding so quickly. All we can do is try. We are, also, trying to coordinate this with Cheryl Adelstein at WUSTL since it involves their students.

Ordinarily the big buses roll in with the start of the semester. Hopefully we can get ahead of this. Thanks again. Janet

Hello Miss Pierson It may be too late to add to the September Traffic Commission Meeting if it is I will add for the October meeting.

Thank you,
Errol Tate, Senior Project Manager

Subject: Traffic Request Form

Mr. Tate, below is a request to prohibit charter buses from boarding and unloading students in the 66-6800 blocks of Kingsbury Blvd., which is a residential street in a quiet, residential neighborhood. I believe the university supports this request. It would be a great relief to the many residents along this corridor. Thank you for your kind attention.
