TRAFFIC COMMISSION MEETING

Heman Park Community Center
975 Pennsylvania Avenue, University City MO 63130

January 10, 2018 at 6:30 p.m.

1. Call to Order

2. Roll Call

3. Approval of Agenda

4. Approval of Minutes

A. December 13, 2017 meeting minutes (will be provided at meeting)

5. Agenda items

- A. 7000 Block of Kingsbury Residential Parking Permit System - Petition
- B. 7000,7100,7200 Maryland Avenue - Speed Limit Reduction

6. Council Liaison Report

7. Miscellaneous Business

A. Traffic Commission Annual Report

8. Adjournment.

Prior to the meeting, we recommend that you visit the site(s). Please call (314) 505-8571 or email etate@ucitymo.org to confirm your attendance.

STAFF REPORT

MEETING DATE: January 10, 2018
APPLICANT: Gail and Robert Milder – 7012 Kingsbury Boulevard
Location: 7000 Kingsbury Boulevard - Between Big Bend Boulevard and Williams Avenue
Request: Residential Parking Permit request
Attachments: Traffic Request Form

Existing Conditions:

Kingsbury Blvd from Big Bend Blvd to Williams Ave.

At the December 13, 2017 Traffic Commission meeting, a motion was passed to request a petition for the Residential Parking Permit.

Implement a Residential Parking Permit System in the 7000 block of Kingsbury I Blvd between Big Bend Blvd and Williams Ave on both sides of the street (per the Traffic Commission recommendation from December 2017).

Residential parking only from 8 a.m. to 8 p.m., every day of the week. This restriction matches the hours and days of adjacent streets.

The petition submitted included signatures from 21 property owners, out of 27 properties in the requested area. This constitutes 77.7% of property owners in agreement.

Conclusion/Recommendation:

City Staff recommends that the Traffic Commission approve the petition as presented system.

Department of Public Works and Parks

6801 Delmar Boulevard, University City, Missouri 63130, Phone: (314) 505-8560, Fax: (314) 862-0694

TRAFFIC REQUEST FORM

LOCATION OF REQUEST:

7000 block of Kingsbury Blvd.

STATE THE NATURE OF YOUR REQUEST:

We request that the city institute Residential Permit Parking on the 7000 block of Kingsbury Blvd from 8 am - 8 pm,

Monday through Friday. The city has already instituted Residential Permit Parking on weekdays to protect the 7000 blocks of Westmoreland, Maryland, Lindell, Forsyth, Northmoor, Pershing, and Waterman. Consequently, university students and faculty and Metrolink commuters are using the 7000 block of Kingsbury for all-day parking, much to the inconvenience of local residents. We request

the same protection already provided by the city to other streets in close proximity to the University and the MetroLink stop.

WHAT ACTION ARE YOU REQUESTING THAT THE CITY TAKE CONCERNING YOUR

REQUEST? We request that the city post signs on the 7000 block of Kingsbury stating No Parking [the No Parking symbol]

7000 block of Kingsbury Blvd., 8 am to 8 pm Monday - Friday except by Residential Permit. The signs would be similar to those currently posted on the 7000 blocks of Westmoreland, Maryland, Lindell, Forsyth, and Northmoor, though with somewhat different restricted hours.

Residents of the 7000 block of Kingsbury would receive (free of charge) parking stickers for their vehicles and a small number of parking tags

to provide to guests and/or vehicles providing services to their property.

WHAT IMPACT WOULD THE ACTION HAVE ON ANY ADJACENT RESIDENTS OR

STREETS? None that we can foresee

NOTE: THIS PETITION SHOULD BE SIGNED BY AT LEAST SEVENTY-FIVE (75%) PERCENT OF THE PROPERTY OWNERS ADJACENT TO THE BLOCK OF THE PUBLIC STREET INVOLVED.

STAFF REPORT

MEETING DATE: January 10, 2018
APPLICANT: Casey Sears - 7034 Maryland Avenue
Request: Reduce Speed Limit
Attachments: Traffic Request Form

Existing Conditions:

7000, 7100, 7200 Maryland Avenue – Speeding Problem

Currently there is a speeding issue in the 7000, 7100, 7200 block of Maryland Avenue

Staff has requested from the University City Police Department record of any accidents for the last three years. The speed limit on Maryland Avenue is 25 MPH.

The requester states that there hundreds of school age children in the area and the street is surrounded by two elementary school.

Request:

Reduce the speed limit to 20mph

Conclusion/Recommendation:

According to Missouri traffic practices it is recommended that a speed study be conducted to determine the proper speed reduction implementation. Staff recommends that the Traffic Commission approves the request to conduct a speed study along Maryland Ave.

Department of Public Works and Parks

6801 Delmar Boulevard, University City, Missouri 63130, Phone: (314) 505-8560, Fax: (314) 862-0694

TRAFFIC REQUEST FORM

LOCATION OF REQUEST:

7000, 7100, 7200 blocks of Maryland Ave. and Westmoreland Ave.; include Williams Ave and Ashbury as well.

STATE THE NATURE OF YOUR REQUEST:

Reduction of speed limit to 20 miles per hour

WHAT ACTION ARE YOU REQUESTING THAT THE CITY TAKE CONCERNING YOUR REQUEST?

Establish a 20 mile per hour speed limit in the location of request and increased enforcement. There is considerable street parking that leads to significantly reduced visibility putting neighborhood children at greater risk of a fatal accident.

WHAT IMPACT WOULD THE ACTION HAVE ON ANY ADJACENT RESIDENTS OR STREETS?

Safety. The location request area sits between Flynn Park Elementary and Our Lady of Lourdes Schools. There are hundreds of children that live in the area and this reduction will increase safety.

NOTE: The Public Works Department staff will review this request and, if warranted, this matter will appear as an agenda item for a traffic commission meeting. If a meeting is held, you will be encouraged to attend so that you may state your concerns.

NAME: CASEY SEARS

www.ucitymo.org

Motorists use Maryland Avenue as a "cut through" to Forsyth Avenue. As a result we have increased traffic flow and motorists that speed through the neighborhood without consideration of how many children live there.

TRAFFIC COMMISSION ANNUAL REPORT Fiscal Year 2017

Matters on the Commission Agenda	Traffic Commission recommendation	Recommendation	City Council decision	Action	Status	Completion date
MEETING DATE - July 13, 2016						
Ferguson Ave. and Julian Ave. intersection	To paint stop bars on Julian and install no parking signs on Ferguson within 30 ft. of Julian	Commission Approval	N/A	Stop Bars Installed	Complete	August 2016
