Mr. Holly summarized the November 15 meeting of the subcommittee attended by Ms. Sharpe-Taylor, and Messrs. Holly, Tieman, and Aronberg. The subcommittee choose the wording for a short survey to be sent to Mr. Kalter of PW for insertion in Roars. The wording was modified slightly through a series of emails among the subcommittee and Mr. Kalter. Time was too short to get the survey in the January Roars.

Mr. Kalter recommended that the survey be distributed by Survey Monkey and paper at the library soon and in the next edition of Roars. Mr. Kalter indicated that telephone response to City Hall staff would not be possible because taking many responses would be disruptive to staff already assigned duties.

A copy of the survey and copy of a Creve Coeur stormwater survey were circulated among those in attendance and discussed.
