AGENDA ITEM TITLE: Westgate Ave Improvements – Surface Transportation Program: Enabling Ordinance and Program Agreement

AGENDA SECTION: New Business

CAN THIS ITEM BE RESCHEDULED?: Yes

BACKGROUND REVIEW:

The City of University City applied for federal funds through the Missouri Highways and Transportation Commission and administered by East West Gateway Council of Governments and the Missouri Department of Transportation for improvements to Westgate Ave. These improvements include Milling and resurfacing of existing asphalt pavement. Installation of permeable paving system for parking areas. Installation of new stop sign and stop bar at the intersection of Clemens Avenue and Westgate Avenue. Removal and replacement of damaged sidewalks including curb ramps, marked crosswalks and midblock crossings. Bicycle shared-lane pavement markings and Share the Road signage.

In addition to the above, Washington University will be paying approximately \$750,000 to install lighting along Westgate Ave.

The Missouri Department of Transportation requires that the City execute the attached "Missouri Highways and Transportation Commission STP-Urban Program Agreement" between The Federal Highway Administration, Department of Transportation and the City of University City.

The total project cost is \$1,915,342.03. 80% is Federal funds or \$932,273.62. City portion for the total project is \$233,068.41 or 20% of the project cost. Washington University is paying \$750,000 for lighting. The City portion will be spread over FY19 through FY21 as outlined in University City's 5-year Capital Improvement Program and 12-Capital Improvement Sales Tax Fund as its proposed funding source (Project "PW19/21-07" – STP-Westgate Ave Improvement).

RECOMMENDATION:

City Manager recommends that the attached ordinance and program agreement be approved by the City Council.
