RE: Audio Issues:

Please be advised that due to technical issues, the first 30-40 minutes of this meeting were not recorded. The audio begins after Councilmember Tieman read some of his comments and questions. Audio kicked in when the MSD representative started to answer Councilmember Tieman's questions.

We are working to get the remaining audio posted to public documents on the website as quickly as possible. The MSD slide deck may be viewed by viewing the 2026-01-12 Council Packet under public documents on the webpage.
