

University Bike/Walk Task Force Meeting

Presentation Overview

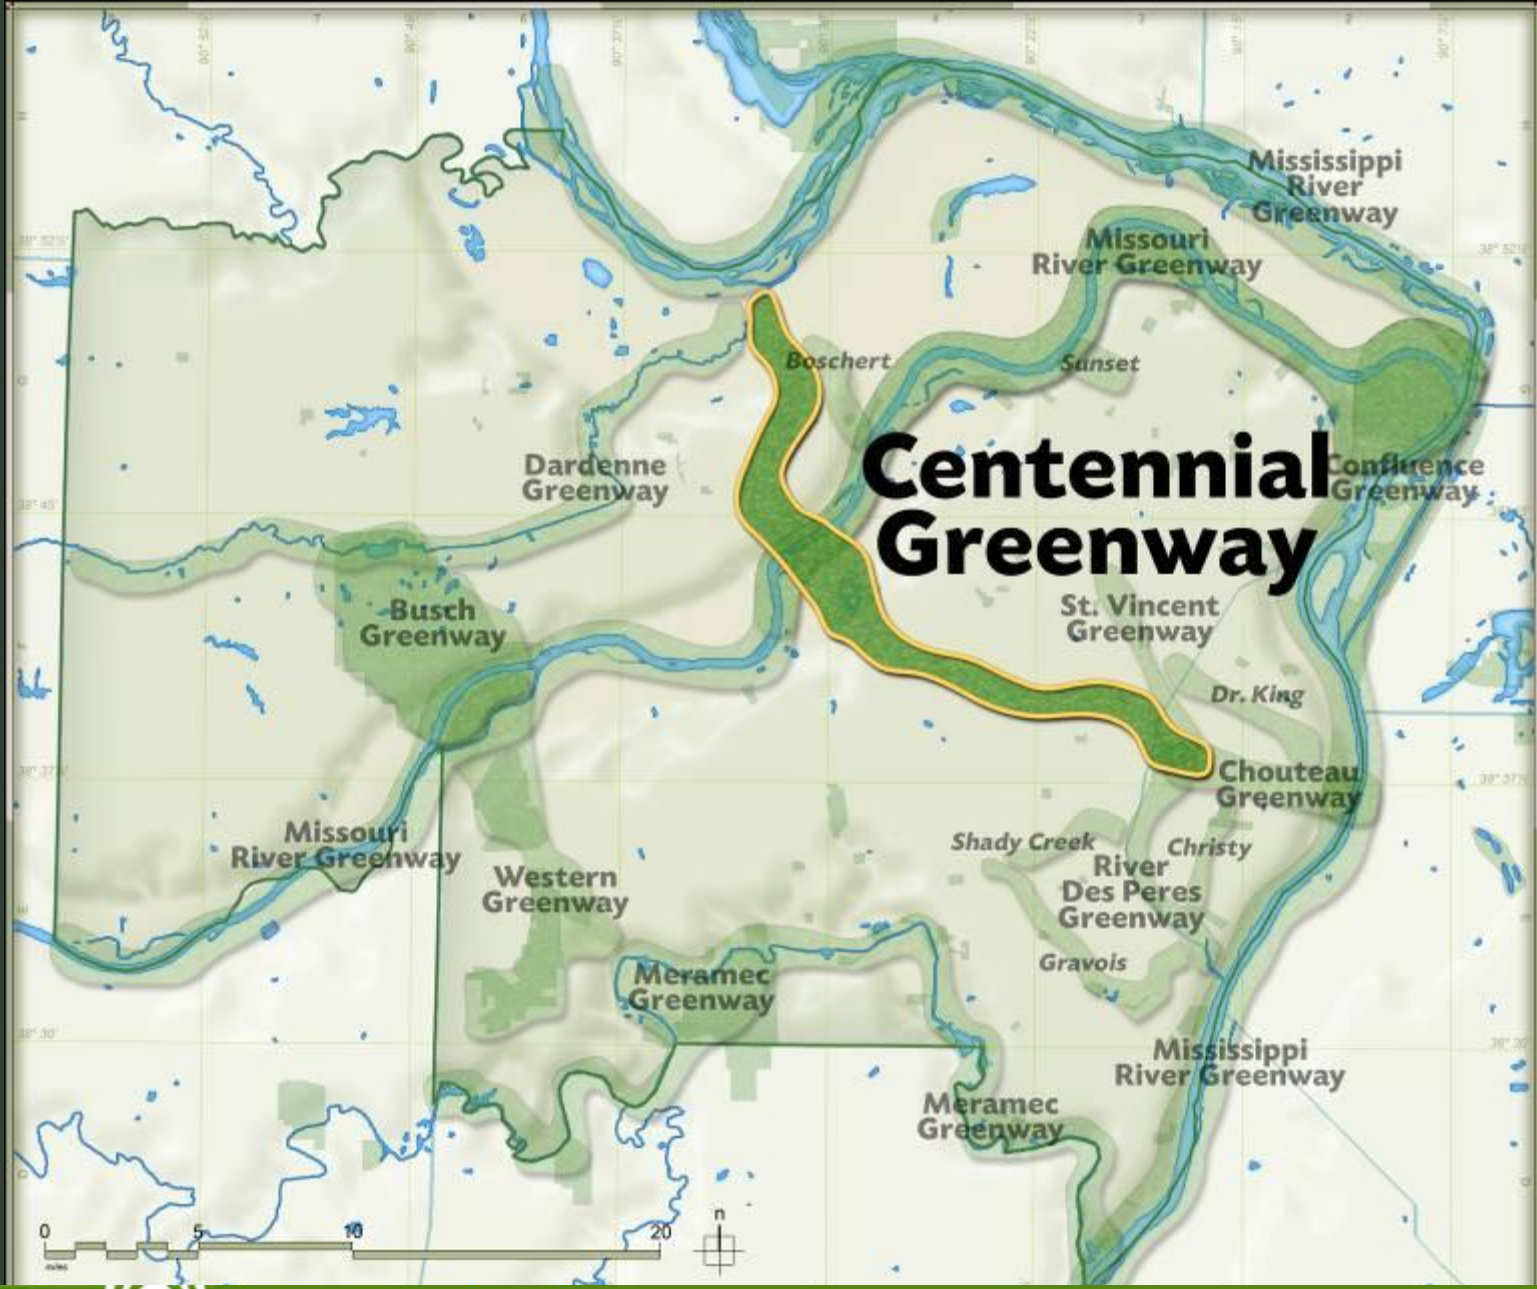

- What is a Greenway?
- Centennial Greenway Plan
- Centennial: Forsyth to Delmar
- Centennial: Shaw Park to Olive
- Questions?

A Greenway is -

- More than a trail,
- A linear park...
- A place to walk...
- A place to play...
- A place to exercise...
- A way to commute...
- A place to learn...
- A place to think...
- A place find nature...
- A destination...**

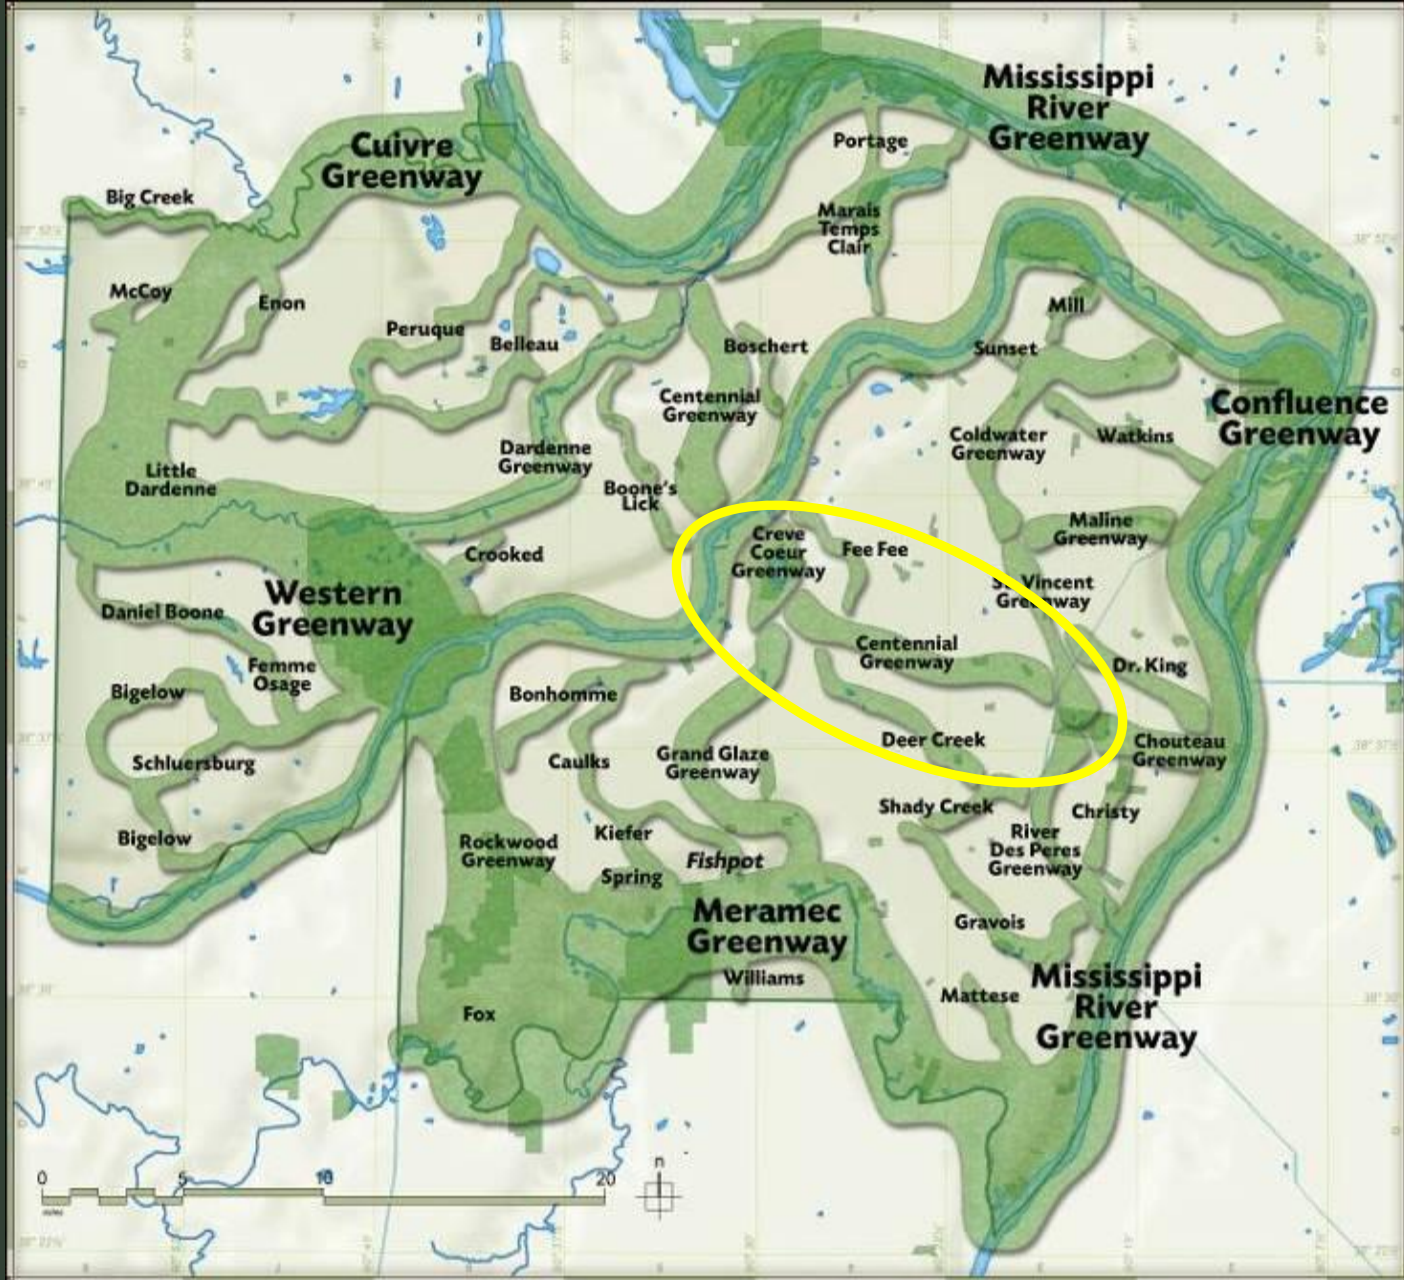

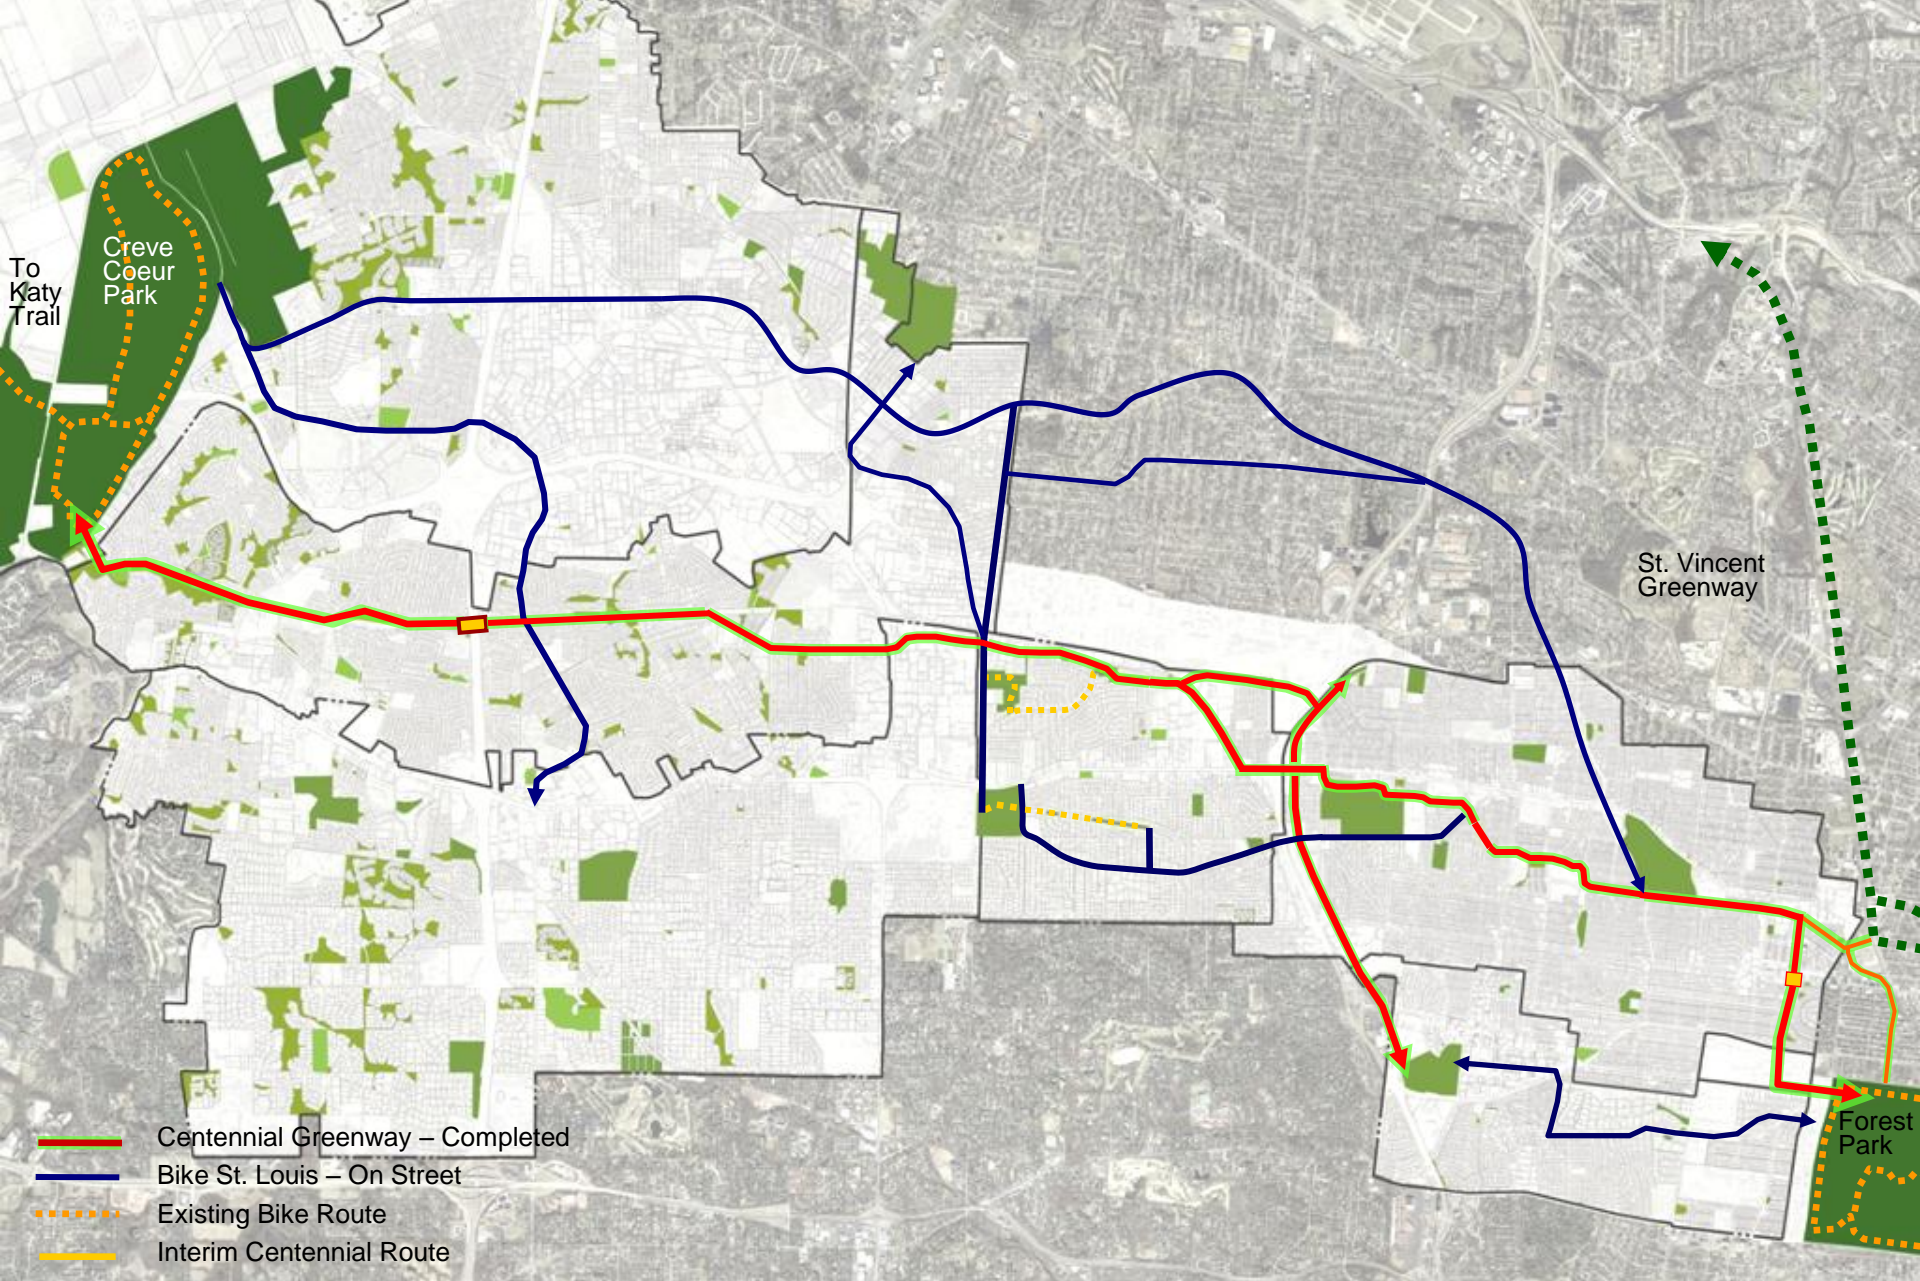

Greenways connect...parks, schools, neighborhoods
Greenways reveal...history, nature, culture, community

When complete,
**The Centennial
Greenway** will link:

- 9 Parks
- 3 Business Districts
- 3 high schools
- 2 community centers

- Centennial Greenway – Completed
- Bike St. Louis – On Street
- ⋯ Existing Bike Route
- Interim Centennial Route

Centennial Greenway Completion
 Estimated 15-20 Year Time Frame

Centennial Greenway Projects

West

Creve Coeur Park to I-270

Central

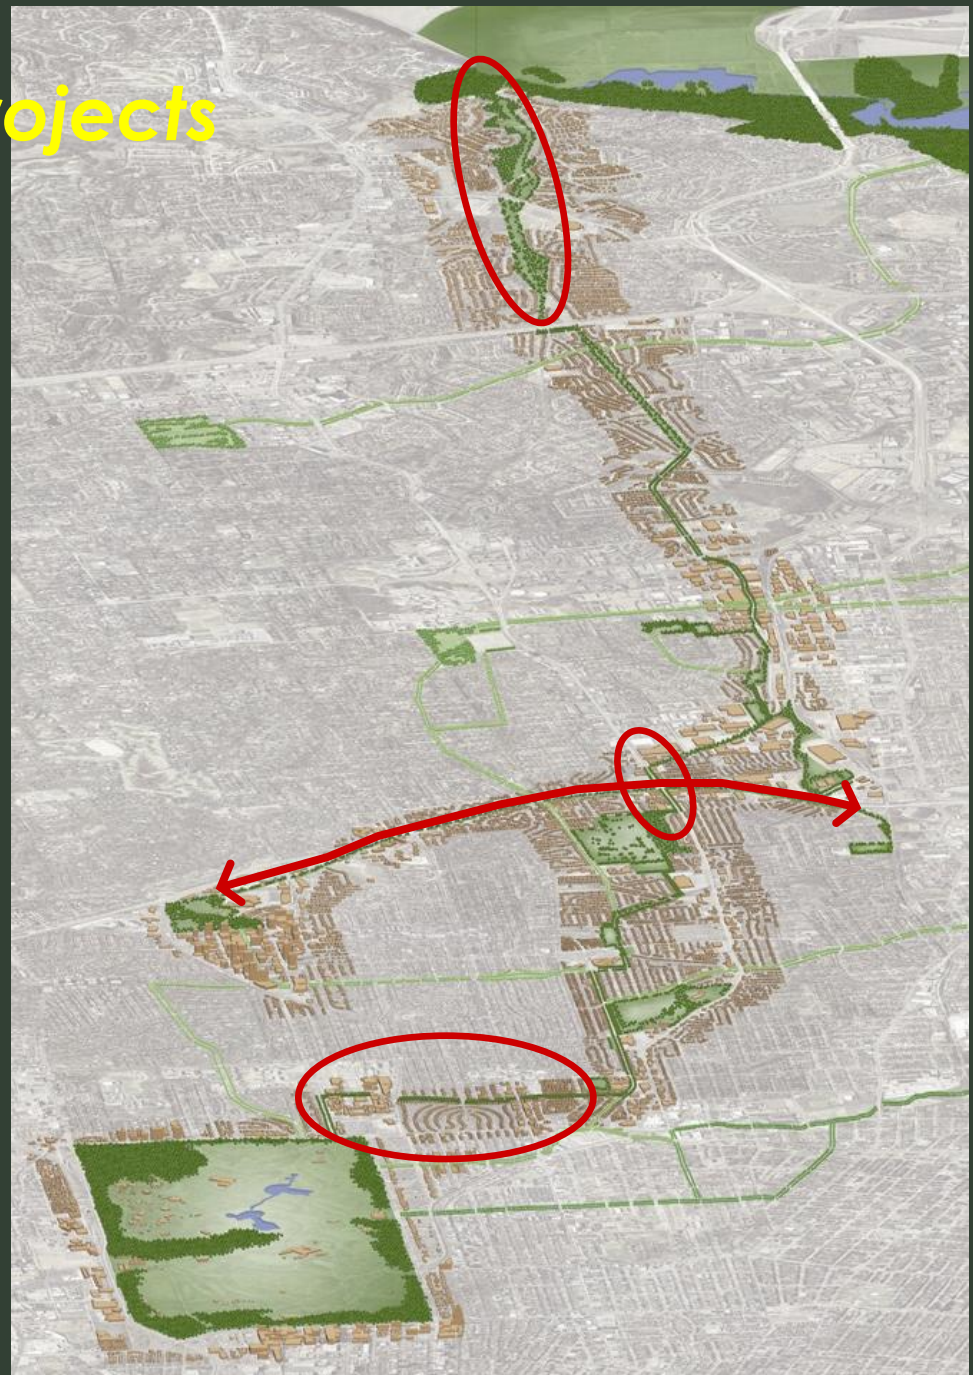

Olive Boulevard/I-170 Interchange

North/South

Metro Corridor along I-170

East

Forest Park to Ackert Walkway

Centennial Greenway: Forest Park to Ackert Walk

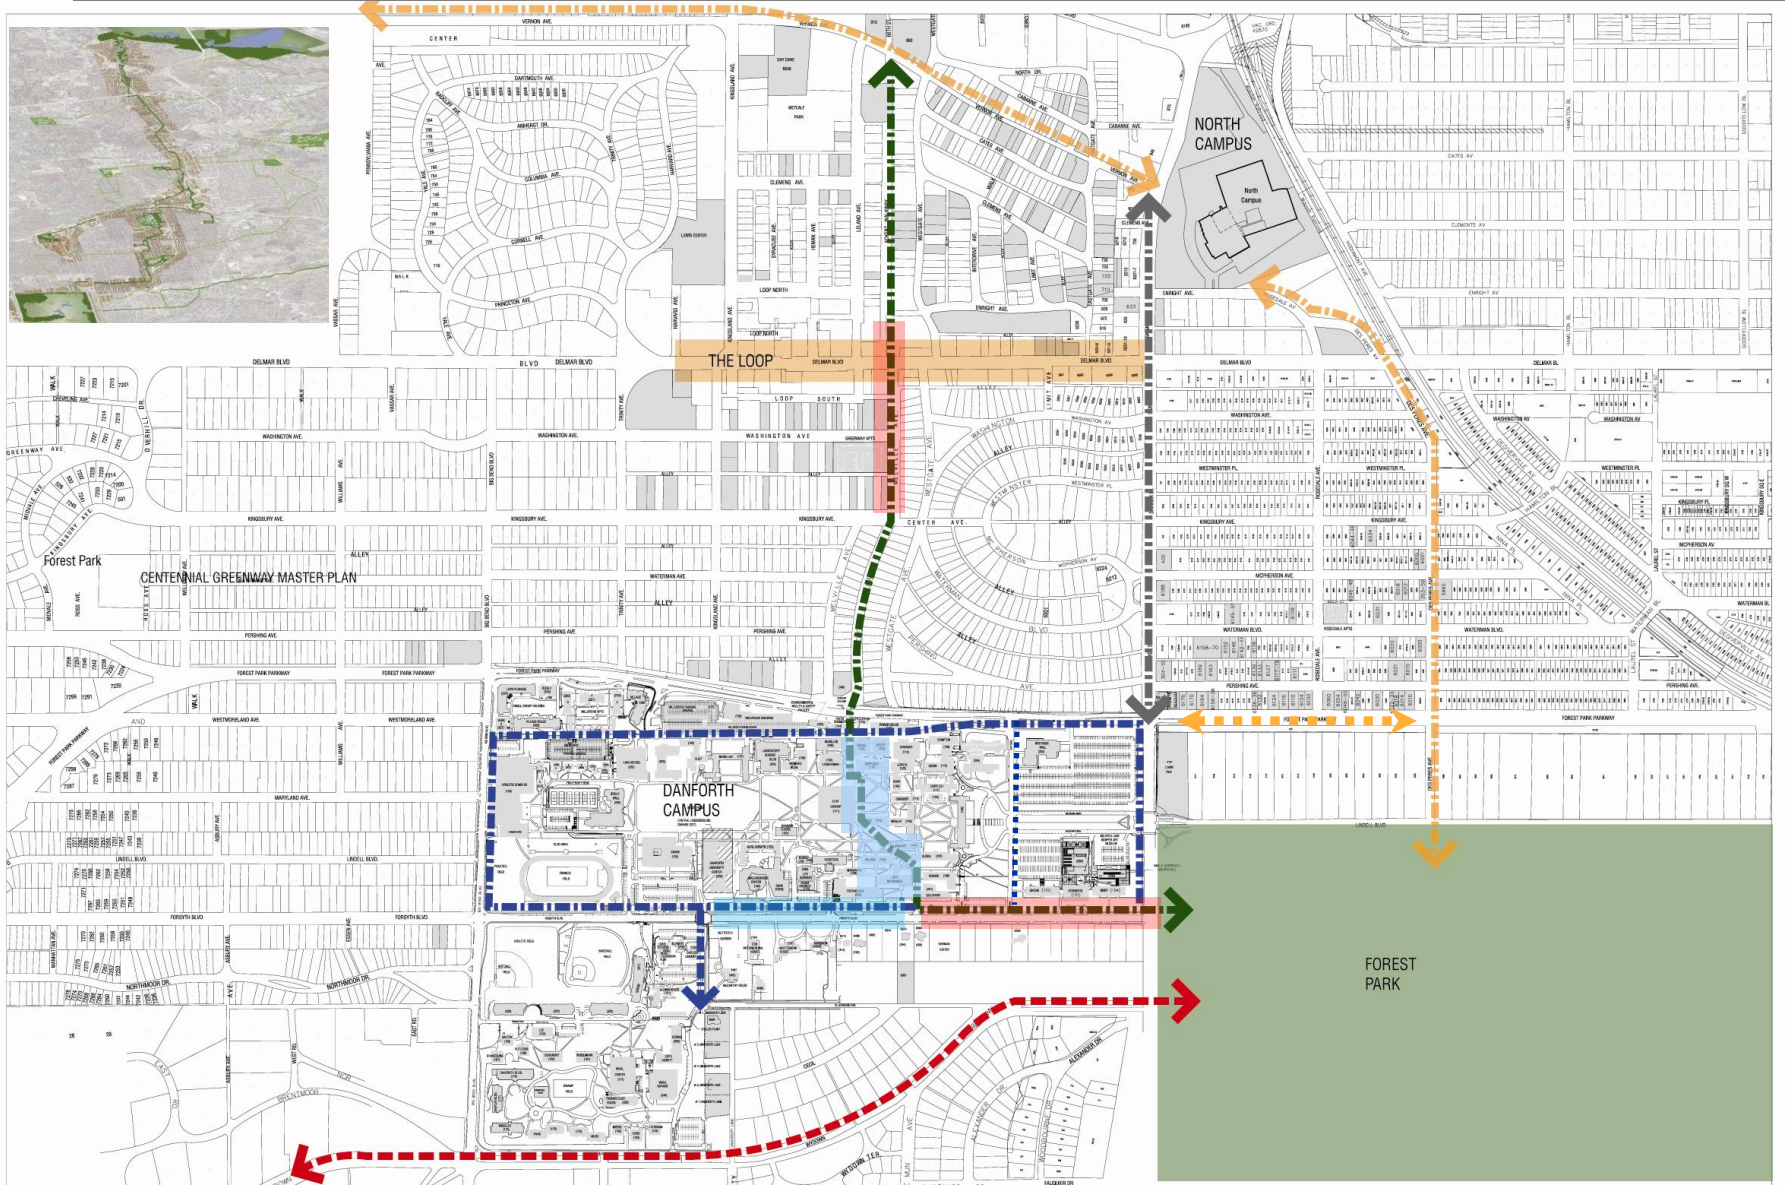

Design Concept

Delmar Intersection

Parking Mitigation

Forsyth Boulevard

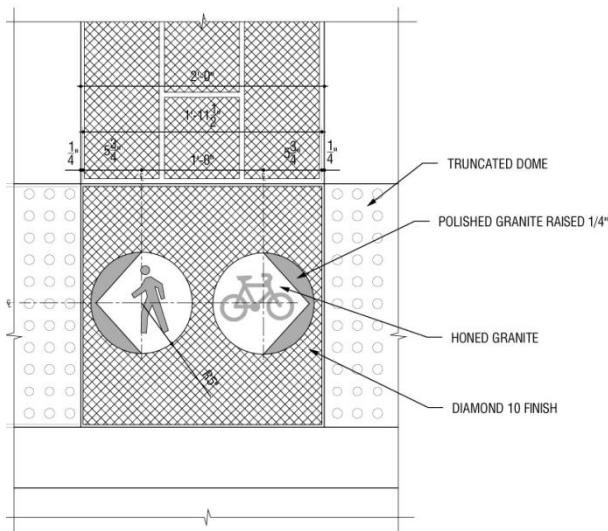

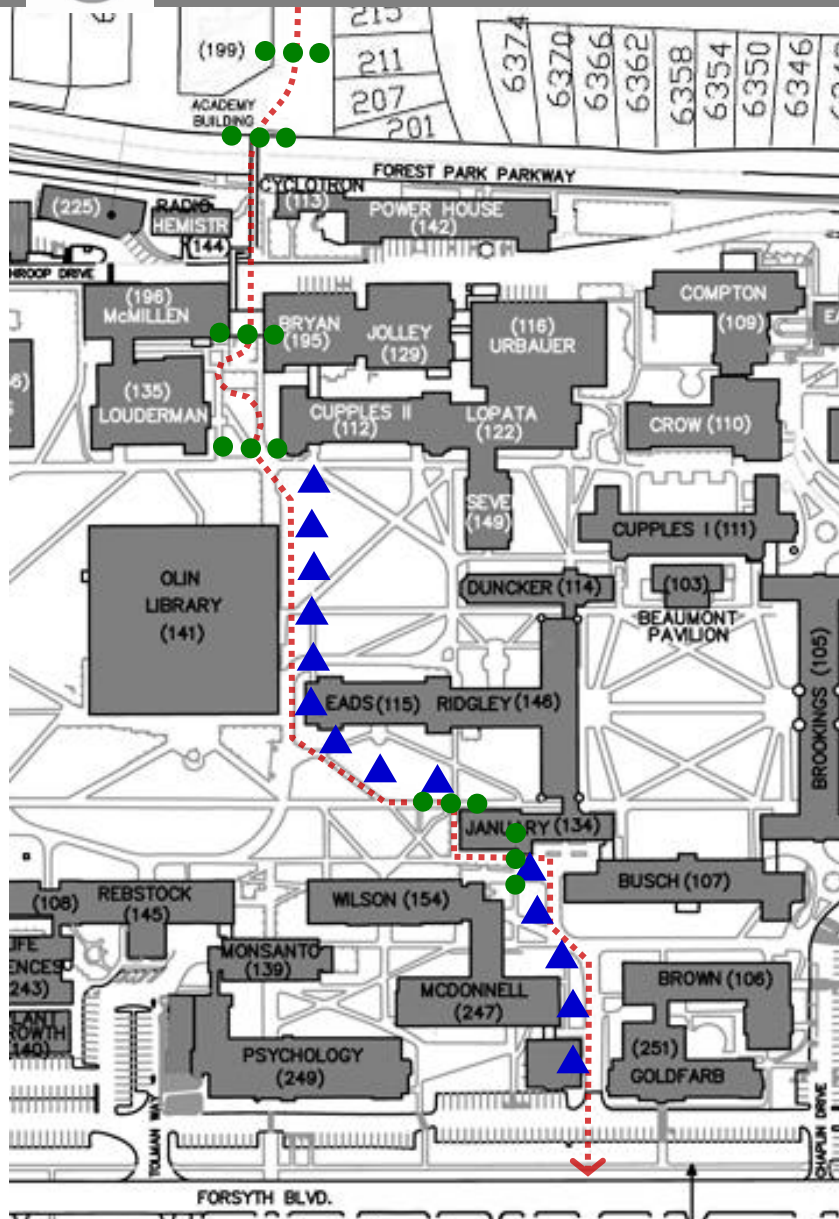

Centennial Greenway on Forsyth

Centennial Greenway: Washington University Campus

Community Connectivity : Cross Campus Connector

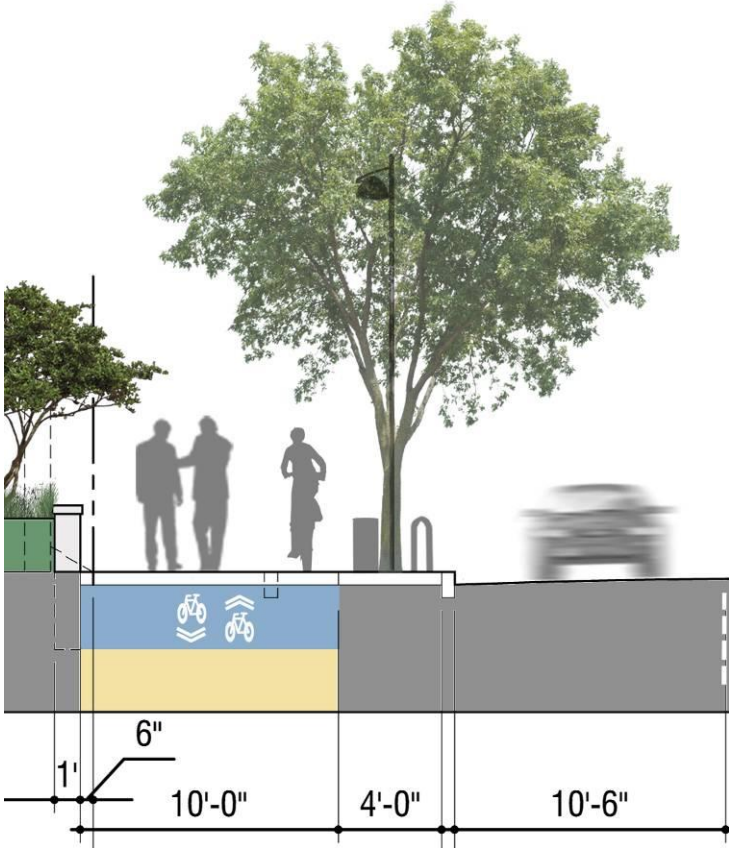

Etched Granite Wayfinding
utilize standard university granite similar to proposed signage along Forsyth set in grass and or granite bands

Melville – Design Parameters

- 10'-0" multi-use path with 4'-0" amenity zone
- continuous tree canopy
- lose all parallel parking along east side of melville

- *Washington University funded the blue light safety phones along the Greenway*
- *Each has security camera that rotates 360 degrees*

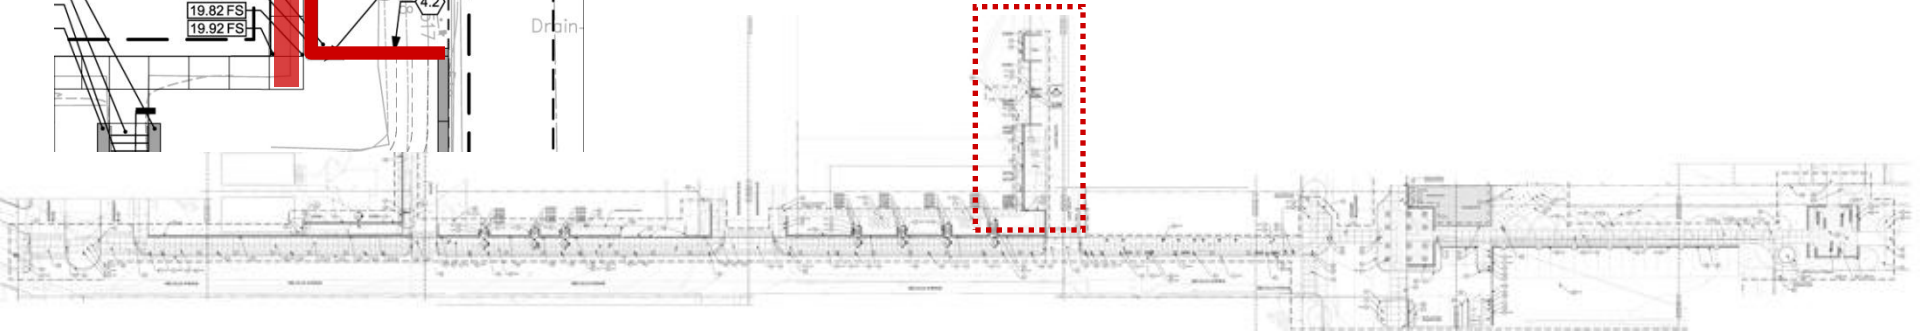

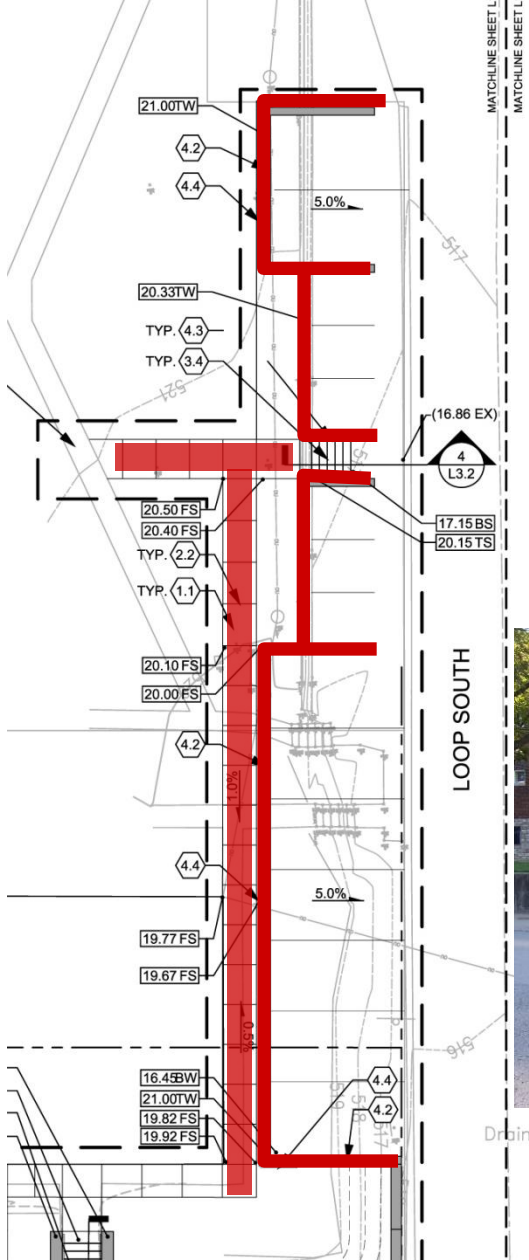

Parking Mitigation - Loop South Parking

create 9 additional parking spaces

create enclosure for 6 dumpsters

expand existing walk along building edge and provide guardrail along wall

eliminate non-compliant stairs and replace with new stairs and handrail

Loop South Parking Mitigation

Washington Ave Parking Mitigation

Centennial Ribbon Cutting 7/29/11

Centennial Greenway: Metro Corridor

Interstate 170/MetroLink R.O.W.
